

**FACT SHEET**

**Acid Free Bookbinders Board**

Acid Free Board is a durable solid grey multi-ply board made out of 100% recycled fibre designed to serve a variety of industrial purposes, such as publishing, stationery, packaging etc. Acid Free’s smooth, flat and firm finish ensure excellent and durable product results regardless of whatever application. The evenness and consistency also enables its trouble-free processing, whilst its absorptive properties allow swift and economic adhesion.
